Address:
G. No. -34/A,
Sahara Colony,
Sarnobatwadi,
Karvir, Kolhapur
416004, Maharashtra

About Us

Barach Kahi Foundation, founded in 2019 and based in Kolhapur, Maharashtra, is dedicated to uplifting communities through education, healthcare, disaster management, and social welfare initiatives. During the devastating floods, the foundation actively participated in providing aid and support to affected families.

■ Mission ■

To offer immediate relief and long-term rehabilitation to disaster-stricken communities.

■ Vision ■

A world where every individual has access to safety, resources, and opportunities during crises.

Overview of Flood Relief Efforts

The catastrophic floods caused widespread destruction in Kolhapur and surrounding areas. Barach Kahi Foundation launched a comprehensive relief campaign to address the needs of displaced families, providing food, shelter, medical aid, and emotional support.

Relief Period: [25 July 2021]

Location: Kolhapur and nearby flood-affected regions

Key Activities

■ Food Distribution ■

Objective:

To provide nourishment to families affected by the floods.

Execution:

- Distributed 7,500+ food packets containing dry rations, ready- to-eat meals, and clean drinking water.
- Partnered with local organizations to identify and assist the most affected areas.

Temporary Shelter and Clothing

- Set up 5 temporary shelters equipped with bedding and essential supplies for displaced families.
- Distributed 1,200 clothing kits, including blankets, towels, and essential garments.

Medical Camps and Hygiene Kits

- Organized 3 medical camps offering free check-ups and medicines to prevent waterborne diseases.
- Distributed 2,000 hygiene kits containing soap, sanitary pads, disinfectants, and masks.

Rescue Operations Support

- Collaborated with local rescue teams to evacuate 150+ individuals stranded in floodwaters.
- Provided logistical support, including boats and vehicles for rescue operations.

Post-Flood Rehabilitation

- Conducted clean-up drives in flood-affected villages to prevent health hazards.
- Supported 30+ families in rebuilding their homes by providing construction materials.

Impact Statistics

- 7,500+ food packets distributed.
- 1,200 clothing kits provided to displaced individuals.
- 2,000 hygiene kits distributed to families.
- 150+ people rescued from flood-affected areas.
- 30+ families assisted with post-flood reconstruction.

Challenges and Solutions

■ Challenges Faced ■

- Accessing remote and severely flooded areas.
- Shortage of resources due to high demand.
- Ensuring the safety of volunteers and affected families.

■ Solutions Implemented ■

- Partnered with local authorities and NGOs for logistical support.
- Mobilized additional resources through community contributions and self-funding.
- Ensured proper training and safety equipment for volunteers.

Testimonials

“The relief efforts by Barach Kahi Foundation brought us hope during one of the most difficult times in our lives. We are deeply thankful for their support.” — A beneficiary from a flood-affected village

“The hygiene kits and medical aid provided by the foundation prevented many illnesses in our community. Their timely support saved lives.” — Local health worker

Acknowledgments

We extend our sincere gratitude to:

- Our dedicated team and volunteers for their tireless efforts.
- Local authorities for their guidance and collaboration.
- Donors and community members for their contributions and support.

Conclusion

The floods brought immense challenges, but they also showcased the strength of community and compassion. Barach Kahi Foundation takes pride in its role in providing relief and rebuilding lives during this disaster.

Our journey doesn't end here. We are committed to strengthening our disaster management initiatives and ensuring that affected communities receive continued support. Together, we can face any challenge and create a resilient future for all.
